

Helping Students Achieve  
Higher Academic Success

Date: 02.11.11

Student Name: Kennedy Dympe Grade: 7th

County: Pulaski Little Rock State: AR

Parent Name: Shalon Bogard

I give Achieve HighPoints my permission to publish my testimonial

Parent Signature: S. Bogard

**TESTIMONIAL FROM STUDENT / PARENT:**

Achieve HighPoints has really helped me learn a lot of new things in Math. Since I started it, my math grade went from an F to a B. Now I like to do math.

Prior to Kennedy beginning Achieve HighPoints he shied away from math. He wouldn't complete his homework assignments and didn't find the subject to be fun. Now he enjoys math class and the many new challenges of a new math concept.
